A mobile application registration form titled "FindaCook" and "BecomeCook". The form is displayed on a smartphone screen. At the top, there is a hamburger menu icon on the left and a circular profile picture placeholder on the right. The form fields are as follows:

- Level of Expertise:** A section with two radio button options: "Casual" (selected) and "Professional".
- Certification:** A text input field with a placeholder icon of a document with an upward arrow.
- Speciality:** A text input field with a placeholder text "Speciality".
- Distance you'll cover:** A text input field with a placeholder text "Distance".

At the bottom of the form is a blue "SUBMIT" button. The smartphone's status bar at the top shows the time as 20:19 and various icons. The bottom of the screen shows the Android navigation bar.

The screenshot shows a mobile application interface for selecting a payment method. At the top, there is a status bar with the time 17:03 and icons for Wi-Fi, signal, and battery. Below the status bar is a header area with a hamburger menu icon on the left and a circular profile picture of a woman on the right. The main content area is titled "Payment Method" in a large, bold, blue font. Underneath the title, there are two columns of options. The left column is titled "Pay with PayPal:" and features the PayPal logo inside a rounded square, with a small square checkbox below it. The right column is titled "Pay with Card:" and features an icon of a credit card inside a rounded square, with a small square checkbox below it. Below these options are four input fields: "Name on card", "Cardnumber", "Exp.date", and "CVV". At the bottom of the form is a large, blue, rounded rectangular button with the text "CONFIRM PAYMENT" in white, uppercase letters. The entire form is set against a light gray background with a green border on the left and right sides. The bottom of the screen shows the Android navigation bar with back, home, and recent apps icons.
